Annual Astrodrama Free Discussion Meeting

Donations gratefully accepted.

Plaza Arboleda Conference Center

2502 N. Dodge Blvd.

Manzanita Conference Room

**Join us for a fun evening of ASTRODRAMA!
Facilitated by Gael Chilson.**

OPEN to all levels of knowledge and interest in astrology.

This will be an interactive learning opportunity, a chance to experience the planets and signs first hand, a chance to play. We might act out some planets in your chart or maybe current transits. It's amazing how the planets can speak through us! Participation is voluntary. We'll have discussion as well as improvisation.

Bio: Gael Chilson, a certified Shamanic Astrologer, has been engaging in astrodrama since she first joined the Tucson Astrologers' Guild and became involved with the "Astroplayers," a group of guild members, at the time, that enjoyed playing out the planets in people's charts. They performed for the first UAC held in 1986 in San Diego. Gael enjoys sharing her passion for astrodrama. "Acting out the planets can be a form of comic relief and integrative learning. Astrodrama is used quite often in Shamanic Astrology intensives to deepen the experience of the archetypes."
