Why You Should Care About The Lots:

Zodiacal Releasing from the Lots of Fortune and Spirit

Zodiacal Releasing is an advanced Hellenistic astrological technique which makes extensive use of the Lots, or Arabic Parts. It divides a person's life into distinct chapters of time which "release" through the signs, mapping the ups, downs and reversals in one's life, career, love life and other topics. Come to this workshop to see Patrick Watson show you how to do it in your chart and the charts of others!
