*Chiron Transit in Aries Through the Houses.*

The Transit of Chiron in Aries is the longest in this highly eccentric orbit – it will spend about 8 years in the sign (compared to 2 years in Libra). Maurice will speak about the nature of the Chiron archetype and will illustrate these dynamics by placing the transit of Chiron in Aries by house and sign and allow participants to personally refer to these energies.

Saturday Workshop, August 11, 1 – 5 pm

\$20/\$25 members/non-members, UA and PCC students \$5 off with ID.  
OPEN to all levels of knowledge of astrology.

*Demystifying the 12<sup>th</sup> House*

The 12<sup>th</sup> house is often misunderstood by astrologers to represent undoing, behind the scene dynamics, or other negative attributes, while in fact most public figures and successful people often have a strong 12<sup>th</sup> house emphasis. Maurice recently published a new edition of his book on the 12<sup>th</sup> house and Neptune following extensive research on the topic – We will discuss the influence of planets in the 12<sup>th</sup> house, natively and by transit.

Excerpts from the book: “The 12<sup>th</sup> house and Neptune represents the actual essence of the Truth that is not conditioned by a specific place, time, culture, or perspective, but one that remains a constant through the course of time—the Timeless Truth.

In times of confusion, disorientation, and defeat, the constant of Truth serves as our reference to help us get back on track.

Interestingly, as Neptune symbolizes illusions, it also symbolizes the dissolution of illusions. As the veils dissipate, we have a direct experience with what is constant, the timeless Truth.”
