July 12, 2019,

FREE potluck - 6:30 pm, & video party - 7:30 pm

OPEN to members and non-members
and all levels of knowledge and interest in astrology.

Enjoy sharing food and watching vintage videos of plays created and performed by TAG's Astroplayers at TCCC, under the direction of Susie Cox, back in the late 1980s.

We'll be viewing "The Rental," "Madame Moo," & "The Planets."

Be ready to share laughter and a look back at some very creative, well-done plays based on astrology, written by Leslie Spears, as well as a terrific example of astro-drama and celestial mechanics if time permits. "Madame Moo" was also performed on stage in San Diego in 1986 for the first UAC (United Astrology Conference).

August 9, 2019, 7:30 pm

TAG's 40th anniversary FREE discussion meeting

OPEN to members and non-members
and all levels of knowledge and interest in astrology.

This will be held in the style used in our early days: a circle format so we can get to know each other; facilitated by founding member Caryl Marie Brendle. We'll discuss the history of the Guild, current aspects, do a little experiential astrology, and survey our members as to the direction of the Guild, what you like, what you don't like, and speakers/types of speakers you would like to have.

Come give us your input and share in the fun.

There will be displays of archive materials: newsletters, pictures, charts and more. Call Caryl Marie if you have special archive items that might be nice to display.
