Dave Campbell

Dave Campbell is a PMAFA (professional member of AFA) and the President of AFA. He is also the owner of the Astrology Store in Glendale, Arizona. www.theastrologystore.com

He has been a professional Astrologer for many years with a large clientele. He is the author of Forensic Astrology: Solving Crimes with Astrology, and the "Advanced Asteroids" course for AFA. He is often published in astrological journals or magazines. Dave is the President of the AST SIG (Asteroid Special Interest Group), a group that studies asteroids.

**Location: ASAOM (Arizona School of Acupuncture & Oriental Medicine)
& Han University 2856 E. Fort Lowell Rd. Tucson, AZ 85716**

Friday, September 13, 7:30 pm

\$10/\$15 members/non-members, UA and PCC students \$5 off with ID

OPEN to all levels of knowledge and interest in astrology.

Dave will be talking about how to work with the asteroids, focusing on interpreting the four major asteroids, as many people still don't exactly know how to interpret the meanings of the four in aspect to planets or to other asteroids. Many examples will be shown and where time allows we will use examples from the audience. Please bring your charts with the 4 major asteroids included. If you need a chart email Gael Chilson to order one.

Saturday Workshop, September 14, 1 – 5:00 pm,

\$20/\$25 members/non-members, UA and PCC students \$5 off with ID.

OPEN to all levels of knowledge of astrology.

We will be focusing on synastry with the asteroids and the importance of Juno in relationship readings, timing, etc. I have also included some examples of gay/lesbian asteroids, and relationships as many have clientele with the LGBTQ population.

Saturday, September 14, 11:00 am – 12:00 pm FREE CLASS facilitated by Gael Chilson.

We will be discussing asteroids in this class, especially the main four used most often in natal charts, with an emphasis on the dwarf planet Ceres.
