### **The Current Venus Cycle is the Cosmic Medicine of a New Destiny!**

Our current 19-month Venus cycle from June 2020 to January 2022 features the Rainbow Goddess (including Iris & Ixchel) and Mistress of Playful Magic inspiring us to tell New Stories aligned with our Cosmic Destiny journeying into this New Galactic Cycle. Ancient cultures ceremonially enacted the entire Venus Cycle via the Mythic journey of Inanna realizing the power of collective intent.

**Unraveling the Old Story** of Competition, Not Enough, Survival and Separation telling a New/Ancient Story of More than Enough, Thriving, accomplishing so much more together - helps us rebirth ourselves in greater harmony with the rest of creation. This includes a new Divine Destiny initiated 56 years ago that won't happen again for 243 years. We will explore how to make the most of this Once in a Lifetime Cycle!

**Cayelin Castell**, co-founder of the Shamanic Astrology Mystery School (SAMS) and **Tami Brunk**, past president of SAMS, founded Venus Alchemy in 2014, guiding ceremonial journeys through the Venus Cycle and exploring our unique Venus Signature going far beyond the Venus sign including the Venus Star Phase, the Meta-Goddess Cycle, and influence of the Sun, Moon, Ascendant and Outer Planets.
