RETROGRADES – THE BIG REWIND

Karma, Reincarnation, Re-Visioning

Retrogrades are a uniquely Earth experience. A planet that is retrograde is physically as close to Earth as it can get, creating a dynamic and powerful influence in the human experience, especially relating to past life issues and karmic residue. Retrograde planets cause us to pay attention to the status quo and “re” ... re-view, re-consider, re-invent, etc. on a personal, cultural and global level.

Please join us as we investigate retrograde energy and all that it brings to the human experience. We will look at retrogrades within the birth chart as well as the universal energy of transiting retrogrades as they affect the planet.
