Unleashing the Power of Solar Arc Directions

Advancing every planet & point in your chart one degree for each year of life can be a very powerful predictive technique for anticipating and understanding key trends in your life. In this 75-minute lecture, Reynolds will unpack and disclose the various ways that you can unlock the nuances of this powerful technique, whether you're using astrology software or certain free apps available on the web. He will also give a sample of how to use midpoints and the 90-degree dial from Symmetrical/Uranian astrology.

Saturday, February 10, 1 – 4 pm, Members \$20, Non-Members \$25

Unlock the Miraculous Power of Lunar Mansions in Electional Astrology

In a 3-hour workshop, experience an introduction into some rudiments of electional astrology and then dive deep into the history and use of Lunar Mansions for greater precision and power for your elections, special events, or basic talismanic creation. Reynolds will bring his 30 years of experience with key principles in traditional astrology to set up events for anything from marriages to when to send out important messages. Go beyond superstitions, including when to use a void of course Moons or Mercury retrograde, and learn to be aware rather than just beware without understanding.

BIO: Samuel F. Reynolds, a former skeptic, had a life-changing visit to an astrologer and has since spent over 30 years studying astrology. Now Samuel consults and teaches astrology full-time. He serves as president of the board of directors for the International Academy of Astrology, and has written horoscopes for several print and online publications. He was the co-recipient of ISAR's 2022 Community Service Award. His site is UnlockAstrology.com.
