**The Storyteller's Chart: Weaving Narrative
and Myth into Your Astrological Practice**

As astrologers, we have access to a rich symbolic language, but how do we translate that into a compelling story that empowers our clients? This talk explores how to move beyond isolated keywords and technical analysis to craft a cohesive and meaningful narrative from the birth chart. We'll discuss how to identify the central themes in a chart and present them in a way that resonates deeply and inspires action.

Marie O'Neill, MBA, DTM, is an Evolutionary Astrologer, life coach, and speaker dedicated to helping people transform their lives through the power of story. Marie serves as the Vice President of Events for Kepler College, where she also teaches her signature Master Class, "Storytelling for Astrologers." As the founder of Padma Life Coaching, she specializes in weaving astrological insights with practical coaching techniques to help clients heal from trauma and achieve their most ambitious goals. marie@padmalifecoaching.com

Vibrational Astrology: An Introduction to Harmonic Charts

Join us as we step into the world of Vibrational Astrology, where the fractal cosmos is decoded through energy and resonance. Together, we'll demystify the nature of the Harmonic Chart, equipping you with the tools to begin seeing astrology through a vibrational lens. We will then learn the concepts of circuits, midpoints, and isotraps in these charts, as well as the meaning of the first four vibrations, setting you on a path of understanding the fractal energies that shape personality, relationship, and purpose.

Robert Pacitti is a professional consulting astrologer and the visionary behind Deep Earth Astrology. He is currently on staff at the Centre for Relationships and Astrology, and specializes in both psychological and vibrational techniques. He has honed his craft under the tutelage of mentors Linda Berry, Sarah Fuhro, Margaret Gray, and Yvonne Tarnas. Infusing his practice with a deep connection to nature spirituality, Robert holds the title of Grand Pendragon in the Ancient Order of Druids in America and is the Director of both the MAGUS Gathering in Gore, Virginia, and the Fractal Cosmos Gathering.
